The only question this picture asks is "why?"

***I and the public know
What all schoolchildren learn,
Those to whom evil is done
Do Evil in return.***

W.H. AUDEN, "September 1, 1939"

If you care about truth, and not just what you've been told all your life, then you may come to believe, as we have, that one of the greatest injustices the world has ever known has been done to the Palestinian people.

Objections to Israel's policies do not reflect anti-Jewish beliefs. Palestine is simply a matter of freedom lost and justice denied. We are American Christians who grew up believing that all Americans care about such things.

The objectives of our web site are to share information, lead you to organizations you can join or support, and give you opportunities to get acquainted with ordinary Palestinian people.
